

AUTOMATIC BAG CLOSURES

Series J-NRP & K-NRP

Series J-NRP and Series K-NRP are designed for use with Kwik Lok Automatic Bag Closing Machines. The closures can be used with most plastic bags (film and net). The closures use Kwik Lok's latest web design that eliminates plastic web residue on the packaging line.

Series J-NRP (medium duty) Striploks are available in seven plastic colors. Multi-colored packs are not available. A variety of lok opening sizes permit the closure to be used on a wide variety of package types and sizes. The closures are manufactured on rolls of 4,000 with 15 rolls per carton (60M).

Series K-NRP (heavy duty) Striploks are available in three plastic colors. Multi-colored packs are not available. A variety of lok opening sizes permit the closure to be used on a wide variety of package types and sizes. The closures are manufactured on rolls of 2,500 with 15 rolls per carton (37.5M).

Heavy duty plastic is recommended for net bag openings.
