

# AUTOMATIC BAG CLOSURES

## Series JWI & KWI

**Series JWI and Series KWI** are designed for use with Kwik Lok Automatic Bag Closing Machines. The closures can be used with most plastic bags (film and net). The larger closure was designed for packagers that required additional surface area for date, freshness coding.

**Series JWI** (medium duty) Striploks are available in seven plastic colors. Multi-colored packs are not available. A variety of lok opening sizes permit the closure to be used on a wide variety of package types and sizes. The closures are manufactured on rolls of 4,000 with 8 rolls per carton (32M).

**Series KWI** (heavy duty) Striploks are available in three plastic colors. Multi-colored packs are not available. A variety of lok opening sizes permit the closure to be used on a wide variety of package types and sizes. The closures are manufactured on rolls of 2,500 with 8 rolls per carton (20M).
