

HAND APPLIED CLOSURE-LABELS

Series PS

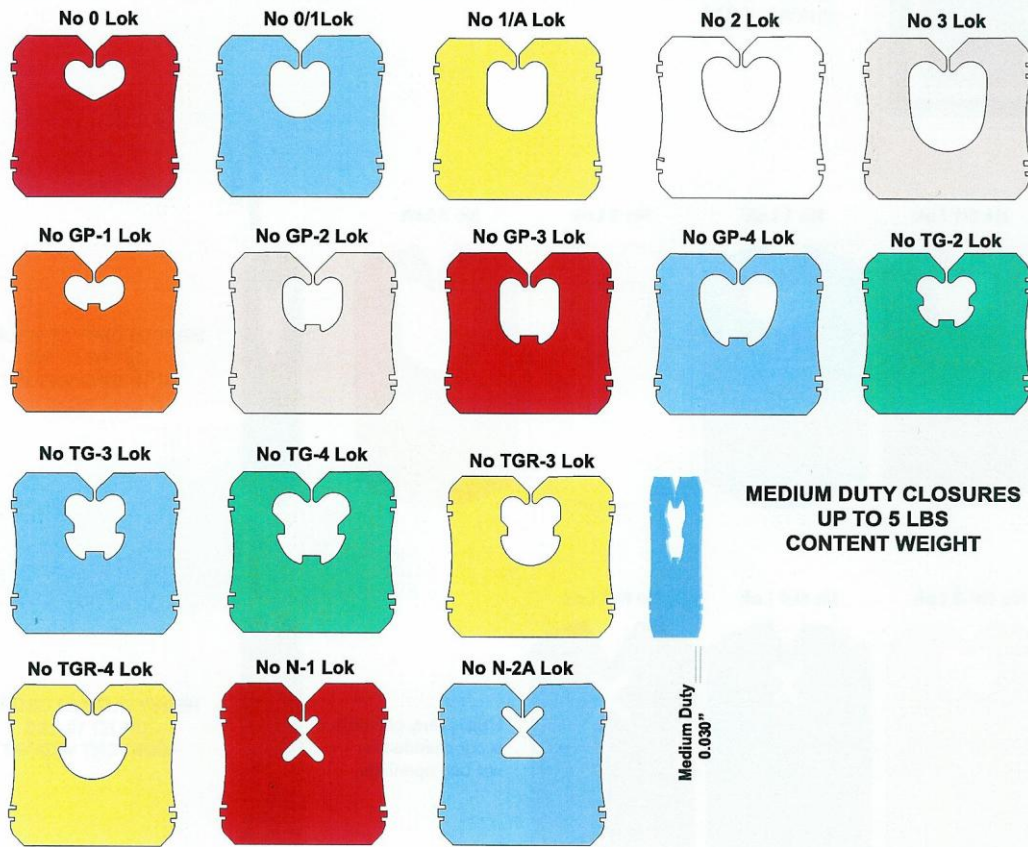

The Series PS Label can be printed in any number of colors on one or both sides. The label can be printed on our standard C1S Tagboard (10 pt, white), or a synthetic label material.

SEE APPENDIX FOR ADDITIONAL CLOSURE-LABEL PRINTING INFORMATION.

The labels are separated and shipped loose in cartons for hand applied operations such as tagging bunched vegetables, grape tags, tree tags, etc.

Two pack sizes are available: 21,000 per carton or 7,000 per carton. The labels are available in seven plastic colors and a wide range of lok openings, making the label adaptable to a wide range of packaging and tagging operations.
