

# AUTOMATIC BAG CLOSURES

## Series VI & VIW

**Series VI, Series VIW** are designed for use with Kwik Lok Automatic Bag Closing Machines. The closures can be used with most plastic bags. The larger VIW closure was designed for packagers that require additional surface for multi-line printing of dates, codes, prices, etc. The closures are available in seven plastic colors. Multi-colored packs are not available. A variety of lok opening sizes permit the closure to be used on a wide variety of package types and sizes.

**Series VI** are manufactured on rolls of 5,000 with 15 rolls per carton (75M).

**Series VIW** are manufactured on rolls of 5,000 with 10 rolls per carton (50M).
