

HAND APPLIED BAG CLOSURES

Series W, WP, W-72 and WP-72

Series W Closures provide the means to close larger bagged products such as trash liners, case liners, etc. The closures are manufactured with heavy duty plastic (0.045" thick) and available in three plastic colors and four lok opening sizes. The closures are packaged loose in bags, 2,000 per bag, 5 bags per carton.

Series W-72 Closures are manufactured with extra heavy duty plastic (0.072") and available in white plastic only. Minimum order quantity is 7,500. The closures are packaged loose in bags, 1,250 per bag, 6 bags per carton.

Series WP and WP-72 are preprinted by Kwik Lok, with customer's customized text copy. The closures can be printed in Blue, Black or Red ink.
