

AUTOMATIC BAG CLOSURES

Series Z-NRP

Series Z-NRP are designed for use with Kwik Lok Automatic Bag Closing Machines. The closures can be used with most plastic bags (film or net). The closures are available in three plastic colors. Multi-colored packs are not available. A variety of lok opening sizes permit the closure to be used on a wide variety of package types and sizes. The closures use Kwik Lok's latest web design that eliminates plastic web residue on the packaging line.

Series Z-NRP Closures are manufactured on rolls of 2,100 with 8 rolls per carton (16.8M).
