

TYPE 898B CLOSURE PRINTER-SEPARATOR

The 898B Printer-Separator gives packers a simple solution to meet package closure traceability/dating requirements on hand-applied packing lines.

The 898B will print on closures and closure-labels with a wide variety of information. The printer uses the same steel type and printing foil as Kwik Lok's 865 Automatic Bag Closing System. The 898B is available in right and left hand models.
